

**Okuda Family's traditional, trustworthy Geroko (medical plaster).**

Okuda-Mataemon-Ko Honpo

Okuda Family's traditional, trustworthy Geroko (medical plaster).

Geroko-no-Yu : Hot spring bath powders are popular as souvenirs of Gero.

"Nagomi-Sheet" is purely Japanese style aroma scented plaster.

**Applying it on where it hurts will make the pain go away quickly.**

**Since the old days, it is well-known to “work very well for pain”.**

The hot spring resort of Gero has been known as a therapeutic bathing place since ancient times. The “Okudake Geroko” that used to be a family secret is now available in all parts of Japan. It is a popular plaster that is known to work well for **pain** and **rheumatism**.
